

Medium attenuation, slim design

3M™ Peltor™ Earmuff X2

The X2 earmuffs offer the same features as our X1 version with the addition of the following benefits:

- » New ear cushion foam technology for an effective acoustic seal and reliable protection.
- » Medium attenuation for moderately-high noise exposures.

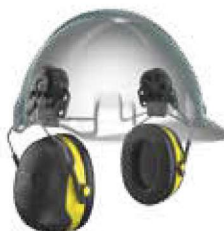

3M Peltor Earmuff X2A - standard headband**

NRR 24 dB†

3M Peltor Earmuff X2P3E - hard hat-attached version

NRR 24 dB†
